This letter serves as official verification of the certification status of the individual named below. ASHA certification must be renewed on a yearly basis through payment of annual dues and/or fees. There also is an additional maintenance requirement for completion of 30 hours of professional development activities every three years.

ASHA does not issue certification numbers. Additionally, ASHA does not maintain copies of application materials submitted for certification once certification has been awarded.

Individuals certified in speech-language pathology have successfully completed the requirements in effect at the time of their application for certification. This includes completion of the requisite academic course work and clinical practicum, completion of a Clinical Fellowship experience supervised by an individual who held valid ASHA certification in Speech-Language Pathology during the CF experience, and successful completion of the Praxis examination in Speech-Language Pathology administered by the Educational Testing Service (ETS).
